Dear Homeowners & Residents

I am contacting you on behalf of the Board of Directors for The Oaks at Brookfield Farms Home Owners Association. We're reaching out to inform you about our newly-launched website designed to keep everyone updated on events and news throughout the community. Check it out at **[www.oakshoa.net](http://www.oakshoa.net)**. Please note that this is the only officially recognized website of The Oaks at Brookfield Farms HOA in Puyallup, WA.

As the weather starts getting nicer and the days get longer, we are all cleaning up our homes and lawns for the "Beautiful" spring and summer (that we all hope for); you must be wary of thefts and drug activity in the neighborhood potentially picking up. Remember to remove items of value from within your cars that can be seen by passersby. Also make sure to lock all doors on your vehicles and houses. Any and all suspicious activity should be reported to the Pierce County Sheriff Office, Emergency (9-1-1), Non-Emergency (253-798-4721). It is always a smart idea to get descriptions of individuals and license plate numbers. "Better safe than sorry"

The Home Owner Association is limited to what we can do for these situations and need all the help we can get from our community to alleviate this problem. Don't ever hesitate to make police aware of any and all suspicious behavior.

On a lighter note we have a new Association Manager from JC Higgins & Associates, Robert Eacrett. He can be reached through our website or email ([manager@oakshoa.net](mailto:manager@oakshoa.net)).

Sincerely,  
The Oaks at Brookfield Farms
